I haven't looked at the comments yet, but I have spoken with Mark regarding the impoundment under the state closure plan. That is covered as no CERCLA release and would not be a part of the remedial alternatives. However, the debris impoundment (at this point) would still fall under the need to be addressed and needs to be described under the remedial alternatives. We will have to speak more internally about this probably at the next weekly meeting.

Comments on the RA Memo are attached - please look it over & let me know any questions you have - yes I know its different from what we talked about regarding the cap, so let me know any concerns you may have.

Thanks,

Gary Miller, P.E.
